CELEBRATION OF PALESTINE COMMANDERY'S ANNIVERSARY

Banquet and Reception in Honor of First Anniversary of Organization of Palestine Commandery Will Be Held in Citizen's Bank Hall—Large Number of Responses.

To date, 132 responses have been received by the committee of the Palestine Commandery, Knights Templar of Houghton, to invitations announcing the celebration of the anniversary of the order's organization in Houghton to be held next Wednesday. The original plans of the society were to have the celebration take place in the Masonic hall but because of the unusually large number of responses received, it has been decided to engage the Citizen's bank hall where more people can be accommodated.

Palestine Commandery, No. 48, Knights Templar of Houghton, was organized on Nov. 16, 1908 and on Wednesday evening members of the order from Houghton and all over the copper country will assemble in the hall designated and make merry.

Commander W. B. McLaughlin will be toastmaster and a fitting program is being arranged for the occasion. Interesting addresses will be made and an entertaining musical program will be rendered.

The committee which has had charge of the preparing of plans for the reception is composed of the following templars: Charles J. McGee, Edward W. Preshe, John M. Nelson and Claude V. Seiber.

The officers of Palestine Commandery are as follows:—

Sir William B. McLaughlin, Commander.

Sir William H. Dodge, Generalissimo.

Sir Charles J. McGee, Captain General.

Sir Edgar Kashleigh, Senior Warden.

Sir Claude V. Seiber, Junior Warden.

Sir Walter R. Pratt, Prelate.

Sir William Bath, Treasurer.

Sir Daniel, Fisher, Recorder.

Sir John C. Condon, Standard Bearer.

Sir William B. Wallace, Sword Bearer.

Sir Paul D. Swift, Warder.

Sir Albert E. Marchon, Sentinel.

Sir Fred G. Schubert, Captain of Guard.

At the time of organization, Palestine Commandery had fifty-five members. At the present time, eighty-two names are enrolled on the membership lists, representing an increase of nearly fifty per cent.

TO HAVE OVERHEAD CABLE.

Project Being Discussed for New Arrangement of Bridge Wires.

A plan is now under discussion by the authorities and engineers of the Copper Range railroad, who have charge of the Houghton county bridge, relative to an improved system of wiring. Formerly the cable carrying the electric wires has passed under the waters of the lake, from the engineers' tower on the bridge. This arrangement has resulted in frequent mishaps which have necessitated repairs. It is now planned to have the wires so that they won't interfere with a mast on the tower and towers on each end of the bridge elevating the wires so that they won't interfere with navigation.

This work if done, will probably be undertaken this winter, while navigation is closed.

DEPUTY SHERIFF WANTED.

South Range Marshal Desires Aid in Enforcing the Law.

At the last council meeting at South Range the marshal asked the fathers to petition the sheriff of Houghton county for another deputy for the range. No action was taken by the council and it is not likely that anything will be done.

The marshal asserted that on Saturday nights there are so many violations of the law that another officer is needed. Two deputies are now located in the village but according to the marshal a third is desired. The desirability of naming a night watchman for South Range was discussed but action was deferred.

Mr. and Mrs. W. H. Doe who were in Chicago for a few days last week returned home yesterday.

MISERY FROM A DISORDERED STOMACH

INDIGESTION OR GAS SIMPLY VANISHES

Your Out-of-Order Stomach Feels Fine Five Minutes After Taking a Little Diapiesin—More Than a Million Bad Stomachs Made Healthy Each Year This Way.

Take your sour, out-of-order stomach—no matter how call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50-cent case of Pope's Diapiesin and let you eat one 22-grain Triangule and see if within five minutes there is left any trace of your former misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels.

JURORS FOR NOVEMBER TERM WILL REPORT ON WEDNESDAY

Although Term of Circuit Court for November is Announced to Begin Today, Arranging of Calendar and Supervisors' Meeting Put First Trials Off for Two Days.

The jurors who will serve at the November term of circuit court in Houghton county need not report for duty till Wednesday morning. Today was given over to arranging the calendar and tomorrow the board of supervisors will hold their monthly meeting in the county building.

The September term of court was concluded Saturday, the chancery cases remaining being continued to the November term of court.

The criminal calendar for the November term is very light in comparison with the calendars of the two previous terms. This is the first time in the history of the Houghton County court that only one liquor case comes up for trial. The defendant is Archie Hall, the Calumet saloonist who is charged with keeping his place of business open on a legal holiday.

The most important case on the calendar is that of Charles Leimmonen, charged with assault with intent to murder. The defendant is a resident of Calumet and is charged with being an accomplice in the fatal wounding of Herman Mattson.

The case of the People vs. George Ross of Quincy will undoubtedly be of interest. Ross is the night watchman at the Quincy mine and is alleged to have shot a seven-year-old boy, who was running away from the Quincy property some weeks ago. At two examinations in Judge Oliver's court, Ross pled not guilty and he was finally bound over to circuit court for trial.

Luka Georgio, to be tried on the charge of assault with intent to murder, is said to have attempted serious injury to a friend. The trouble occurred at Hurontown. The case was scheduled for trial at the September term of court but some witnesses who were to render important testimony, disappeared and it was continued until the November term.

Alfred Michaelson, held on an embezzlement charge, is a resident of Calumet. Four indictments have been lodged against him.

The majority of the remaining cases are of minor interest and the charges against the defendants are not for serious offenses. Although the calendar is rather short, the nature of the cases indicates that the term of court may be long.

Arrangement of Calendar.

Today was given over to the arrangement of the original criminal and civil calendars in circuit court. The first case which will be tried is that of Chas. Leimmonen, charged with assault with intent to murder. He pleaded not guilty when arraigned.

Of the other cases with two exceptions everyone of the prisoners pleaded not guilty to the charges preferred against them. These two exceptions are William Adams, charged with larceny, and Alfred Bishop, non-payment of liquor tax.

The cases of the people vs. Luka Georgio, charged with assault with intent to murder, and the people vs. Peter Jurich, mayhem, were continued to the next term of court. Both the defendants pleaded not guilty when arraigned. The continuance was necessary because the cases were not ready for trial.

BAND FOR SOUTH RANGE.

South Range is to have a band. This is the announcement made when it became known that George Wallstrom, formerly director of the Red Lodge Military band, had located in the village. Mr. Wallstrom is to move his family from the west soon, having secured a position as clerk in one of the clothing stores there.

SUCCEEDS JOHN SCHNEIDER.

Albert Rothengans of Chicago, has arrived in Houghton to take a position as brewmaster at Haas' made vacant by the recent death of John Schneider. He is a brewer of the old school and has had considerable experience. He is an alumnus of Wahl-Henius Brewing Institute. It is from this school that most of the brewers in the western states have graduated. Mr. Rothengans' apprenticeship was served in Germany but he located in America some twenty years ago.

HOUGHTON HIGHS WIN RIGHT TO PLAY FOR CHAMPIONSHIP

Semi-Final High School Football Game at Menominee Results in Victory for Visiting Houghton Eleven by Score of 11 to 10—Houghton Will Now Play Ishpeming.

With only two minutes to play and the Menominee high school team in the lead by the score of ten to five, "Ole" (Leo) Haas, right half back of the Houghton high school football eleven, executed one of the most brilliant plays ever seen on an upper peninsula gridiron by running through the entire Menominee eleven for a touchdown. Twisting, dodging, shaking off would-be tacklers, Haas crossed the last white line and placed the ball behind Menominee's goal and tied the score and making possible the victory which came a few minutes later with the kicking of the goal after the touchdown by Roy Pryor.

The contest was one of the most evenly contested battles that ever took place in the upper peninsula. The first half ended with the score standing five to nothing in favor of Houghton, Edwards having made the first touchdown on a perfect forward pass. The try goal failed.

Although outwitted, Menominee showed wonderful form in the second period of play, securing two touchdowns by a combination of old and new football. The light Menominee backs bucked through Houghton's line for substantial gains, and skirting the ends for fifteen and twenty yard gains.

All of Houghton's men finished the game uninjured. Haas was the particular star but the work of Anderson at fullback and the generalship of Edwards at quarterback were worthy of commendation. Pryor and Haug on the ends showed great form.

The Houghton boys report the most courteous treatment at Menominee. Automobiles were placed at their disposal so that they might see the sights of the city, and everything possible was done to make their visit a pleasant one.

By virtue of the victory over Menominee, the Houghton team has earned the right to play Ishpeming for the upper peninsula championship. Efforts will be made to arrange this game for the Hancock driving park, next Saturday afternoon. The Houghton players confidently believe that they can defeat Ishpeming, and if they succeed in doing so, will endeavor to arrange games with high school teams from lower Michigan. The custom of arranging championship games between the schools of the upper and lower peninsula has been abandoned, but the locals hope to be able to arrange friendly games with some of the other teams.

LEAVES FOR THE WEST.

Ontonagon Graduate Accepts a Good Position at Great Falls.

George Gauthier, who has been employed in the office of the judge of probate for the past week, has resigned his position and Robert Manning has succeeded him, says the Ontonagon Herald. George left on Thursday for Great Falls, Montana, where he has accepted a position in the office of the Great Falls Iron Co. He was given this position by George McDonald, the expert accountant, who worked at the Ontonagon Lumber & Cedar company's office last summer. Mr. McDonald is now superintendent of the Great Falls Iron company. Ontonagon people will greatly miss George as he has always lived here and has won many friends on every side who regret to have him leave. He was educated in the Ontonagon public schools and received his certificate of graduation last June.

HEARING IN COW CASE.

Justice Little Will Hear Troubles of Parties Concerned.

Justice Little will hear the evidence in the famous Moon cow reprieve case tomorrow evening. The case was scheduled for hearing a week ago but was postponed one week because of the non-appearance of some of the witnesses.

Mr. Moon, the owner of the cause of the litigation, claims that the Houghton poundmaster, Adolph Engelbert, drove his cow into the village pound, where he says the cow languished for some time and consequently the business of the dairy did not thrive in the usual manner. The poundmaster claims that he was discharging his duties when he impounded the creature as it had strayed past the village limits. Among the witnesses to be heard are Caspar Brand, clerk of the village of Houghton, Ben Treloar and Carlton W. W. Fowler.

JUDGE BENTLEY TO SPEAK.

Selected to Address Gathering at Anniversary Celebration.

Hon. George C. Bentley of Hancock has been selected as the speaker at the anniversary of the dedication of the Palm Memorial Library at Painesdale. The exercises and observance of the event are to take place Saturday evening of this week. The program is now being arranged and will be ready for publication in a short time. The Calumet & Hecla orchestra has been engaged to furnish the music for the occasion and will render concerts during the program and later in the evening will dispose of dance music till midnight.

F. L. Boers, superintendent of the Barkadale, Wis., plant of the Du Pont Powder Co., who has been in Houghton for the past few days and who inspected the work being done at the new plant at Painesdale, has returned to his Wisconsin home.

ONTONAGON I. O. O. F. HALL IS DAMAGED BY FIRE

The I. O. O. F. hall at Ontonagon was badly damaged by fire Tuesday evening. The Ontonagon Herald says: The fire had gained a good headway when the firemen arrived but with their ability in fighting fires and with five streams of water which were at once poured onto the flames they soon had it under control.

The I. O. O. F. hall is used as a lodge hall by nearly every fraternal order in the village excepting the Masons and Eastern Star.

The K. O. T. M. M., the I. O. T. M. M., the I. O. F., the Longshoremen and the M. W. A. as well as the Odd Fellows all sustained a severe loss. The I. O. T. M. M. carried an insurance of \$240 on their outfit and the I. O. O. F. carried an insurance of \$1,000 on the building and \$1,000 on the contents. The Rebekahs also had their outfit and it was completely ruined.

It is quite impossible to estimate the loss although it was very severe. The interior of the upstairs is nearly ruined and where it is not burned to a charcoal it is damaged considerably by smoke and water.

The Odd Fellows have two pianos in the building and it is thought that both will be more or less damaged by the water and the fire which was so hot that it blistered the varnish and thus spoiled the cases. Very little of the furniture will be of any value. The carpet which is practically new is supposed to be ruined. There was a cubby over the carpet and this may have protected it from damage by the soot, etc., but the water it is thought will spoil it.

The interior of the main lodge hall is smoked very badly and the decorations and charters are in a dilapidated condition.

The fire originated from the stove in the dining room in which a fire had just been started.

BALTIC 3; PAINE DALE 0.

Result of Saturday's Association Football Game on Range.

After holding the opposing team with some success in the early part of the soccer football game Saturday, Painesdale were unable to keep the visitors from scoring and in the remainder of the first half, two goals were netted by Baltic and one in the second period of play, making the total score for Baltic three, Painesdale, nothing. Painesdale played a brilliant game at times and it was only the great defensive work of the Baltic backs and goal tender that enabled Baltic to prevent what seemed sure scores.

The result of this game gives Baltic a total of five games won and one tied. All of the victories were won by substantial scores. Baltic lays claim to the copper country championship, having been unable to get a game with Mohawk. If a game were arranged between the two teams, one from the southern end and the other from the northern part of the copper country, the result of the battle would settle all doubts as to whom belonged the championship.

ADAMS TOWNSHIP BIRTHS.

A ratio of three to one exists between the number of deaths and births in Adams township during the past month, there being nine deaths and 27 births. During the year, 272 births have been recorded and 94 deaths have occurred. The births are distributed among the different nationalities in the following manner:—Italian, 4; Austrian, 4; Finnish, 9; English, 7; French, 1; and Swedish, 2.

MONTHLY EFFICIENCY TEST.

List of Prizes Donated for Light Infantry Competition.

Three prizes have been donated by Houghton business men for the efficiency test for the Light Infantry which is to take place next Thursday evening. This is the second examination to be brought about by Capt. Martin Foley for the purpose of improving the drill standard of the company. A rifle donated by the I. E. Swift Co. is the first prize and the second and third awards are a hat from Joseph Seldenfeld and a box of cigars from the W. H. Doe Cigar Co.

Col. Thielmann of Calumet or Major Hecker of Houghton will have charge of the examination Thursday evening. The gold watch which is to be competed for in January or February is now on exhibition at Haug's jewelry store. This test will be conducted by General Carl Wagner of Port Huron, Inspector general of the Michigan National Guard.

LIBRARIAN ARRIVES TOMORROW.

Miss Grace A. Whare of Grand Rapids, Wis., is Expected in Houghton.

Miss Grace A. Whare of Grand Rapids, Wis., is expected to arrive in Houghton tomorrow to take charge of the work of changing the books from the Houghton public school library to the Carnegie institution. The change from the Central school building to the new Carnegie structure can not be affected yet as the building is not and probably will not be completed for a month. The books in the high school building will be assorted with reference to their value as supplementary material for the pupils and reading matter for patrons of the Carnegie library. Miss Whare has had considerable experience as librarian, having been engaged by the Wisconsin Library commission for the past ten years.

War of Roses Raged in Chicago

The above layout illustrates the rose war raging at Chicago between the Mrs. Potter Palmer and the Mrs. Marshall Field varieties.

Chicago, Nov. 8.—The greatest battle of roses in the history of floral warfare raged in Chicago last week between the Mrs. Potter Palmer and the Mrs. Marshall Field varieties. The blushing, nodding, fragrant beauties are fighting for a crown. The winner of the contest will be declared the queen of the floral kingdom. The flowers that challenge the famous American Beauty are named for the great social favorites in real life. The show began Tuesday and continued until Sunday.

Six entries in all are in the lists against the present queen, the American Beauty. Their names with their sponsors are:

Rose Mrs. Potter Palmer, a Chicago production, originated by August Pochmann of Morton Grove. Pink and delicate of contour.

Rose Mrs. Marshall Field, Alderman Peter Reinberg's famous pink flower which has won premier honors at the Chicago flower show for three years.

Rose My Maryland, a large pink flower from Baltimore, hitherto adjudged the nearest approach to the American Beauty. Originated by John Cook.

Rose Killarney, originated by Alexander Dixon of Belfast, Ireland. A pink rose of beautiful form and delicate pink shading.

Rose White Killarney, a white "sport" of the Rose Killarney, originated by Alexander Montgomery, Natick, Mass. In form like the Rose Killarney, but of pure white petals.

Rose Mrs. Jardine, a Philadelphia entry, light pink, of exquisite shape and tinting; originated in Ireland, and a great favorite in Chicago.

These are the flowers that contend with their delicate hues and forms against the wonderful American Beauty. Like delicate beauties in a beauty show their proud heads away upon their delicate stalks, beckoning the flower lover to pause and observe, to note their perfect form and color, to yield the palm to them for supreme beauty.

More than \$5,000 is offered in prizes for this year's show, and as the landscape plan for the main hall is Japanese, chrysanthemum plants will be a great feature. But even the chrysanthemum will not crowd the roses out of the limelight, and the greatest contest of roses ever held is scheduled to take place.

For Aged People

Old Folks Should be Careful in their Selection of Regulative Medicine

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitution who suffer from constipation or other bowel disorder. We are so certain that it will completely relieve these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost the user nothing if they fail to substantiate our claims. This remedy is called Rexall Orders.

Rexall Orderlies are eaten like candy. They have a soothing, healing, strengthening, tonic and regulating action upon the dry mucous lining and the relaxed muscular coat of the bowels. They produce a natural, necessary contraction and relaxation of the muscular fibres of the bowels which generate a wavelike motion and outward thrust contents onward and outward; thus stimulating nature in perfect bowel movement. They tone up and strengthen the nerves and muscles and restore the bowels and associate organs to more vigorous and healthy activity. They may be taken at any time without inconvenience; do not cause any griping, nausea, diarrhea, excessive looseness, flatulence or other disagreeable effect. Try Rexall Orderlies on our guarantee: 25 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain Rexall Orderlies in Calumet only at our store.
